

UIC 2016 Summer Session Picnic Event Details & Contest Rules

Date: Saturday, April 16, 2016

Time: 12:30 – 2:00 pm

Location: Curtis Granderson Stadium

The UIC Summer Session Office will be sponsoring a free picnic for potential summer students and their advisors during the UIC Flames Women's Softball and Men's Baseball games on April 16. Tickets to the free picnic will be distributed in advance of the event to UIC students by their college academic advisors. Prizes will also be awarded to college advising units and to students based on event participation per the contest rules below.

Contest Rules:

1. UIC academic colleges that have undergraduate programs (AHS, ADA, CBA, ED, ENGR, LAS, NURS, SPH, CUPPA) will be eligible to participate in the contest.
2. Each of these colleges will receive a set number of pre-printed tickets for admission to the Summer Session Picnic scheduled on April 16, 2016. The number of tickets distributed to each college is proportionate to the percent of undergraduates and graduate students in that college that enrolled in the 2015 Summer Session. Tickets will be distributed on Tuesday, April 5, 2016 to each college.
3. Advisors should hand out tickets to students in their colleges who are interested in enrolling in Summer Session 2016. It's recommended that advisors give students an admission ticket the week before the event (April 11 – 15).
4. Prizes will be awarded to the college advising unit that has the highest percentage of students with tickets in attendance at the picnic within the following two groups of colleges: Group 1 = CBA, ENGR, LAS; Group 2 = all other colleges listed in #1.
 - a. Prizes for Group 1 winners = 8 Dell Pro 5000 tablets
 - b. Prizes for Group 2 winners = 2 Dell Pro 5000 tablets
5. College winners will be announced and tablets distributed Friday, April 22, 2016. Prizes will become university property of the winning college advising unit and are for university use (not personal use or ownership) by staff only.
6. Students attending the event can enter a drawing during the picnic to win one free Dell Pro 5000 tablet (professional students are not eligible). Each student must provide his/her full name and UIC email, and be registered for a 2016 summer course by Wed., April 20, 2016 to be eligible. The winning student will be announced and notified Friday, April 22, 2016.
7. During the picnic, the Summer Session Office will also have a spinning wheel game where students may win small, free prizes. Students must connect to Summer Session social media and/or sign up for Summer Session email reminders to spin the wheel and participate.
